Meet the White 2022 Land Rover Defender - an SUV that looks ready for adventure even when it's just heading across town. With its crisp white finish, it has that clean, confident presence that stands out in a parking lot and feels right at home on an open road.

Under the hood is a 2.0L 4-cylinder gasoline engine paired with an automatic transmission, making it easy to settle in and simply enjoy the drive. And thanks to AWD, it's built to keep you moving with extra confidence when conditions get less-than-perfect - whether that's rainy streets, dusty backroads, or a weekend escape that turns a little spontaneous.

As a used vehicle, it offers that sweet spot of modern style and capability without the brand-new wait. Plus, a CARFAX report is available for this Defender, so you can check out its documented history and buy with added peace of mind.

If you're looking for something that feels equal parts rugged and refined, this white Defender is ready to be your next daily driver - and your next story.
