Meet a seriously entertaining sedan: this black 2014 Cadillac CTS-V is the kind of used car that refuses to be ordinary. Wrapped in a sleek black finish that looks equally at home under city lights or parked in your driveway, it delivers that perfect blend of grown-up style and grin-inducing attitude.

Up front, you've got a 6.2L V8 running on gasoline, giving this sedan a heartbeat you can feel the moment you turn the key. Power heads to the rear wheels with classic RWD balance, and the 6-speed manual transmission keeps you right in the middle of the action - because some drives are meant to be driven, not just "taken."

Despite its performance edge, it's still a proper sedan, ready to handle daily duties while making every errand feel like a victory lap. If you've been looking for a car that can play it cool and turn it up on command, this CTS-V has the personality to do both.

And when it comes to peace of mind, a CARFAX report is available for this vehicle, so you can check out its history before you make your move.
