This green 1954 Chevrolet Sedan Delivery is a rolling time capsule with a wink - equal parts classic cool and cargo-ready charm. With its unmistakable panel-style profile and Panel/Cargo Van body, it's the kind of vintage Chevy that looks just as at home cruising to a weekend show as it does pulling up to your favorite spot with plenty of room for whatever the day calls for.

Step inside and you're greeted by a matching green interior that keeps the vibe perfectly cohesive - retro, confident, and delightfully different from the usual sea of neutral tones. It's a look that feels purpose-built for anyone who appreciates old-school style with a dash of utility.

And because classic fun is even better with peace of mind, a CARFAX report is available for this vehicle - so you can enjoy the nostalgia while having helpful history at your fingertips.

If you've been waiting for a vintage ride that stands out, tells a story, and brings a little extra personality to every mile, this Sedan Delivery is ready to deliver.
